Ref. No.: DHE/TEJAS/26-27/03 **Date:** 31-10-2026

To
The Principal

Subject: Invitation to Participate in TEJAS Olympiad 2026–27

Respected Principal,
Greetings from the **Department of Holistic Education (DHE), Vidya Bharti Institute of Training & Research Trust (VBITR), Kurukshetra.**

We are pleased to invite your esteemed school to participate in the **TEJAS Olympiad 2026–27**, an initiative of DHE aimed at identifying, encouraging and nurturing students' talent, language proficiency, analytical abilities and technological awareness.

The Olympiad will be conducted in the following three streams:
Mathematics (Classes 3 to 10) | English (Classes 3 to 10) | Future Tech (Classes 6 to 10)

1. Examination Schedule

Mathematics	**09 December 2026**
English	**10 December 2026**
Future Tech	**11 December 2026**

2. Registration Details

Starting Date	**03 November 2026**
Last Date	**20 November 2026**
Fee	**₹150 per student per stream**

Instructions regarding Registration Fee
20% of the registration fee, i.e. **₹30 per student per stream**, will be retained by the participating school. The amount retained by the school will be utilised to meet expenses related to the conduct of the examination, including remuneration for the examination supervisor, and other related expenses.

Net Amount Payable to TEJAS Olympiad: ₹120 per student per stream

3. Examination Arrangements

- The examination will be conducted in **offline mode** at the respective participating schools as per the allotted schedule.
- Question papers and **OMR sheets** will be dispatched to the participating schools in advance.
- Completed OMR sheets must be sent by courier to the designated evaluation centre on the same day of the examination.

Special Feature: Online Mock Tests
As a special feature of TEJAS Olympiad 2026–27, the team is working towards making online mock tests available through the official TEJAS Olympiad website.

- Students will be able to practise online and familiarise themselves with the examination format, question pattern and level of difficulty.
- These mock tests will help students assess their preparation, identify areas for improvement and build confidence before the actual examination.

Detailed instructions regarding the conduct of the examination, evaluation process, technical requirements and declaration of results will be communicated separately.

4. TEJAS Olympiad Preparation Books

Department of Holistic Education is introducing dedicated **TEJAS Olympiad Preparation Books** in all three streams—Mathematics, English and Future Tech.

These specially designed books will help students strengthen their conceptual understanding, reinforce subject knowledge, practise relevant questions and become familiar with the Olympiad pattern. The preparation books will be available in the following formats:

A. E-Book Version

- E-book versions will be made available through the official TEJAS Olympiad website.
- Students will be able to access the e-books through their individual student logins.
- **Student Login Fee: ₹49 per student**

B. Printed Book Version

- **Printed Price: ₹170 per book**
- A 20% share of the printed book price **(₹34 per book)** will be retained by the school when orders are placed through it.
- The utilisation of the school's share will remain at the school's discretion.

The preparation books are not compulsory for participation in the Olympiad. However, students are encouraged to refer to the relevant books to support their preparation.

5. Prizes and Recognition: Prizes will be awarded separately for each class in each of the three streams (Mathematics, English and Future Tech).

Prizes for Each Class in Each Stream	
First Prize	₹3,100
Second Prize	₹2,100
Third Prize	₹1,500
Ten Consolation Prizes	₹500 Each

The efforts of school demonstrating the highest level of student participation will also be recognised, and the principal of the concerned school will receive a **Certificate of Appreciation**.

6. Registration and Further Information

Registration Link: Click here

For registration assistance, participation guidelines, preparation books and further information, schools may contact the undersigned. For the latest updates and announcements, please visit tejas.dhe.org.in regularly.

We sincerely look forward to your school's enthusiastic participation and cooperation in making **TEJAS Olympiad 2026–27** a meaningful platform for identifying talent, nurturing young minds, building confidence and promoting healthy competition and excellence among students.

With regards,

Sonu Agnihotri Sharma
